Dear friends and colleagues,
Seasons greetings! Wish you all happy new year from IPS Nashik!!

It gives us immense pleasure to extend an invitation to you for participation in 29th IPS-WZB Mid Term CME in the beautiful city of Nashik.

Western Zonal Branch of Indian Psychiatric Society has been in existence for over five decades. Known for its strong appetite for academic work, IPS WZB organizes Mid Term CMEs every year through its different branches.

Each year, the CME helps to build the knowledge base of WZB Psychiatrists. We have opted for a practical theme in the year 2019: “Clinical Pearls for Practice... What benefits you most in day to day clinical practice?” We plan to arrange some unique sessions by eminent speakers including some fresh faces, with the focus on providing inputs that will click when you sit in your OPD in front of the patient.

We look forward to seeing all the members of IPS-WZB use the stage of Nashik to interact and share their experiences with each other so that it benefits us all. “TEAMWORK” is mantra of success for IPS-WZB. We assure you of a great academic feast and warm hospitality from our team at Nashik.

Unravel the city of abundance: Nashik!

... the holy city of pilgrimage and Maha Kumbh
... the wine capital of India
... the city of industries
... the new education hub
... the city of rich heritage
... the city of Kusumagrat, Veer Savarkar and Anant Kanhere
... one of the fastest growing cities in India
... the city gifted with pleasant climate, picturesque surroundings and greenery

Welcome to the city of Nashik, formerly known as Gulshanabad, with abundance of historical, mythological, social and cultural importance.

According to ancient epic of the Ramayana, Lord Shri Ram was sent in exile for fourteen years. After the tenth year of exile, Lord Rama along with Lakshman and Seeta, lived for two and half years on the northern bank of the Godavari near Nashik. This place is known as Panchavati, currently the oldest part of Nashik.

Pilgrimage:
- Nashik is one of the four cities that host the massive Sinhasta Kumbha Mela once every twelve years.
- Oldest temples in and around Nashik: Trimbakeshwar Mandir (one of the 12 Jyotirlingas), Kapaleshwar Temple, Naroshankar Temple and Someshwar Temple
- Kala Ram Mandir: Located on sacred banks of Godavari.
- Ganga Ghat & Ramkund
- Anjaneri: Known as the birthplace of lord Hanuman, as well as a popular trekking location.
- Saptashrungi Devi Temple, Vani
- Shirdi: The famous shrine of Lord Sai Baba is worshipped by devotees all over the world.
- Jain Mandir: Huge temple dedicated to Jain saints.

Heritage:
- Pandav Caves: A cluster of Hinayana Buddhist rock cut caves.
- Mangi Tungi twin peaks
- Salher Fort

Nature trail:
- Bhandardara dam: All the nature's blessings a place can get.
- Kalsubai shikhari: The Everest of Maharashtra
- Harishchandra gadh: The mother of all treks.
- Nandur Madhmeshwar: 'Bharatpur' of Maharashtra.

Many more interesting destinations around Nashik include various vineyards (Sula, Soma, York etc.), Gargoti Museum near Sinnar, Coin Museum near Anjaneri among others.

And these, dear delegate, are but a handful of the countless enigmas that Nashik now beckons you to unravel.
The beginning of psychiatric practice in Nashik dates back to January 1974. Since then IPS Nashik has been a team of Psychiatrists, working for the betterment of mental health by promoting prevention, increasing awareness, reducing stigma and providing scientifically sound treatment. IPS Nashik is not only a professional group but also a “family” for more than 25 Psychiatrists.

We are honored to be organizing the 29th Mid-term CME of IPS WZB in Nashik.
